

Dream Vacation Project

CONGRATULATIONS! You've just won a sweepstakes sponsored by *See The World* Travel Magazine. Your prize? \$5000 to spend on your DREAM VACATION! Now, let the planning begin...

The contest guidelines state that as the winner, you must track all of your spending and show proof that you used your \$5000 for:

- Round-trip airfare to the location of your choosing
- Lodging in your destination for the duration of your trip
- Transportation within your destination
- Food
- Attractions/Sight-Seeing

While you may give yourself an allotted amount of money for transportation, food, and shopping (optional), you **must** be specific for all of the other expenses. This means finding a flight online, looking for a hotel, AirBNB or VRBO, and researching admissions costs for museums, tours, and other sight-seeing opportunities. You can choose to bring one person along or bring your entire family, but keep in mind that you will need to pay for anyone who comes with you. Use the attached expense sheet to track your spending.

You will need to create a PowerPoint to present to the *See The World* Board of Trustees to show how you are spending your contest money. Include pictures and totals for each spending category. The Board is excited to see how you use your winnings to SEE THE WORLD!

TRAVEL & LODGING

FLIGHT:

Airline: _____
